

**"Jaunrīgas attīstības uzņēmums" Ltd. increases its fixed capital up to LVL 20,662,000**

August 25, 2006

LLC Jaunrīgas attīstības uzņēmums has increased the company's fixed capital by LVL 7,500,000, which has now reached LVL 20,662,000. The fixed capital has been increased with the purpose to continue investments and development of the concept of the Riga Port City.

The decision to increase the fixed capital was supported by both company's shareholders: the Board of the Riga Free Port and the Norway's company Port Pro AS. The increase of the fixed capital was financed by Port Pro AS.
