

„Jaunrīgas attīstības uzņēmums” Ltd. intends to increase its share capital

March 28, 2006

„Jaunrīgas attīstības uzņēmums” Ltd. intends to increase its share capital in April this year. The decision has been approved by Freeport of Riga Authority which is one of the two shareholders of the company. The other shareholder is the Norwegian enterprise Port Pro AS. The intended increase of share capital constitutes LVL 7.5 million, and it yet has to be approved at the shareholders' meeting.
