

## **Andrejsala development project to be presented to investors at the MIPIM 2007 forum**

March 2, 2007

In order to present the development of Riga Port City located in Andrejsala and Eksporta district to potential investors, representatives of SIA "Jaunrīgas attīstības uzņēmums" will visit the MIPIM 2007 international real estate forum, which takes place in Cannes (France) from the 13th to 16th of March.

"Our objective at the MIPIM forum will be to study some of the newest examples in property development and the current trends of the real estate market, while also meeting with international investors that are interested in the real estate business in the Baltic states and specifically in our development," explains chairman of the board of SIA "Jaunrīgas attīstības uzņēmums" Valters Māziņš.

MIPIM 2007, according to the estimates of its organisers, will gather more than 25,000 tradespeople of the real estate sector from 74 countries. The participants will include key international investors, developers of immovable property, bankers, representatives of investment foundations, governmental and municipal institutions, construction companies and other types of organisations.
